

# Aging Services

We administer a wide variety of home and community-based services for Utah residents who are 60 and older. Programs and services are primarily delivered by a network of 12 Area Agencies on Aging which reach all geographic areas of the state. Our goal is to provide services that allow people to remain independent.

## SOME OF OUR SERVICES

- Nearly 10,000 homebound Utah seniors receive a meal delivered to their home by local agencies and volunteers
- Over 26,000 Utah seniors eat at least one meal in their local senior citizen center
- Adult Protective Services investigates 2,300 complaints of abuse and neglect involving the elderly
- 2,000 Utah seniors receive services in their homes, allowing them to live there instead of going into a skilled nursing facility
- Utah's Office of Public Guardian serves as the legal guardian for more than 200 Utahns who are disabled and/or elderly and have no one else to help them
